

Dear Member,

The Florida Health Insurance Premium (FLHIPP) program has an even faster way for you to be repaid each month. It's called direct deposit and it's free.

With direct deposit, FLHIPP will put your premium payment into the policyholder's checking or savings account.

- **It's easy!** Your payment goes straight into your bank account.
- **It's fast!** You can get your payment the same day we deposit it.
- **It's safe!** Your money will not get lost, stolen, or delayed.

You can set up direct deposit in 3 easy steps:

1. Fill out and sign the form below.
2. Write "VOID" across the front of one of the policyholder's blank checks.
3. Complete and fax or mail the form and voided check.

**FLHIPP will send your payment straight into your bank account.**

If you have any questions or concerns, please contact the FLHIPP office.
